## Second-Hand Book Sale

At this stage, we are asking staff and students to donate their unwanted books for this activity. Fiction, children's books, textbooks, biographies, comics, CDs and DVDs are all welcome. All material must be in good condition, and is to be forwarded to Annemarie Zammit at the Office of the Principal, Room B004 until the end of October.

## Transform your Future

The Marketing Department took part in the EY Generate (2018) event at the Intercontinental Arena Conference Centre on 23 October.

The five-hour event, entitled Transform Your Future and organised by Ernst & Young, was attended by a group of Second-Year Marketing Advanced Level students accompanied by Mr Brian Mifsud. The 700 strong audience from several schools around Malta and Gozo, were given talks from both local and international experts before taking part in several workshops, during which the students were learning, experiencing and interacting with future technologies.
