Masterclass in Particle Physics

Lectures and workshop conducted by:
Dr Despina Hatzifotiadou
Dr Giacinto de Cataldo

This is your opportunity to meet and work with two researchers from CERN, affiliated with INFN. Learn more about Particle Physics, CERN, accelerators, HEP experiments and the ALICE experiment. Perform measurements on real data from particle physics experiments at CERN.

📅 7 November 2017 at 09:00

ICT Building, Level -1, Block B Room 7

Programme available at:
www.facebook.com/um.jcphysics

This is a joint initiative between the Departments of Physics at the Faculty of Science and the Junior College, in collaboration with CERN and with support from the Particle Detector and Accelerator Programme at the University of Malta.
