- Evening Courses at JC Page 2
- Caps for L-Istrina Page 2
- Students Sports Activities Page 3
- Karate Page 3
- Interschool Leagues Page 3
- Stargazer Activity Page 3

Bicycles Parking Spaces

Staff and students are highly encouraged to cycle to College. Those who do so are to leave their bicycles in the assigned bicycle parking spaces.

The Administration cannot be held responsible for any loss or damage to bicycles parked on campus. Cyclists are responsible for their own safety while on College grounds.

Evening Courses at JC

PRACTICAL COURSES FOR MATSEC CHEMISTRY AND BIOLOGY EXAMINATIONS

FOR MORE INFORMATION AND
REGISTRATION VISIT

www.jc.um.edu.mt/studyprogrammes/eveningcourses

EACH COURSE WILL CONSIST OF 10
THREE HOUR EVENING SESSIONS

All students and members of staff are invited to encourage students that **DO NOT attend Junior College** to register for the practical courses aimed at preparing students for the MATSEC Chemistry and Biology examinations. For more info please visit: um.edu.mt/jc/studyprogrammes/eveningcourses

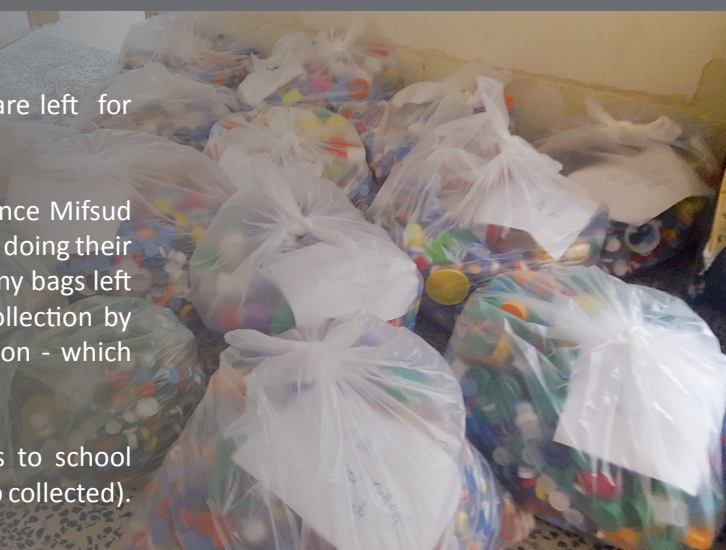

The Evening Practical Course will commence in February 2019 as follows: Biology sessions start on Wednesday 6 February 2019 and will be held every Wednesday (17:00 - 20:00 hrs) and Chemistry sessions start on Thursday 7 February 2019 and will be held every Thursday (17:00 - 20:00 hrs).

Caps for L-Istrina

Students and staff are reminded that few days are left for collection of caps for L-Istrina this year.

Members from the Environment Committee - Vince Mifsud and Annick Bonello - together with 3 SOK students doing their project with the same committee, sorted the many bags left by staff and students in preparation for their collection by Greenpak - the company organising this collection - which will then donate money to L-Istrina.

Thanks to staff and students who got the caps to school (reminder that marker caps and their base are also collected). So far 20 bags have been collected to date.

Students
Sport Activities coming up

27 Nov: Walk along Msida front
10:00 - 11:00 hrs

28 Nov: Pickleball Tennis @ Foyer
11:00 hrs

Charity Row 4 Others
(rowing competition)

Come and have fun

Interschool Leagues
5th Dec @ the JC

7-a-side male football
5-a-side female football

Basketball
Volleyball
Table Tennis

Register @ the Sports Hall asap

Stargazer Activity

The Stargazer Astronomy Group has held its first activity for this academic year, in conjunction with the Institute of Space Science and Astronomy. A solar observation session was held on the roof of the JC building through a filtered telescope. Luckily the weather was in our favour. The students spent over an hour discussing and asking about astronomical and cosmological topics with Dr Jackson Said, while Mr Karl Fiteni handled the telescope. Student attendance was considerable and the JC students showed much interest in the research carried out by the Institute. More activities are planned for the near future. To keep updated email: howard.j.zammit@um.edu.mt
