I/We, the undersigned, guardian(s) of _____ with
Identification Number: _____, (henceforth referred to as the 'Student'), hereby on this
day ____/____/____ confirm that we are aware of the following terms and conditions.

- 1. I/We acknowledge** and give consent to the Student to enrol with Junior College. I/We are also aware of the Mission Statement of Junior College as the institution provides a high quality, inclusive and holistic learning experience intended to enhance the knowledge and lifelong skills needed for higher education, active citizenship, employment and life itself. I/We are aware that Junior College achieves this mission through the Academic Programme, the Enrichment Programme and other occasional activities and events.
As guardian/s, I/we have read through the JC Prospectus and undertake to visit the JC website on an ongoing basis so as to retain an informed understanding of the educational experience the Student is embarking on, and to keep abreast of notices, guidelines and updates which have been posted on the JC website.
As guardian/s, I/we have read through the subject descriptions of the JC Prospectus and the relevant pages of the JC website relating to the subject choices of the Student. I/we are aware of any terms, conditions and requirements listed therein.
- 2. I/We give consent** to the Student to follow any online learning sessions offered by the College in line with all its duties and mission statement. I/We are aware of the difference between online learning and physical learning at the College and the limits of the former. I/We are aware that the Student may follow the online sessions from an appropriate location and adults may not participate or interfere in said online sessions.
- 3. I/We are aware** that assigned work will need to be presented according to the deadlines given to the Student as directed by the tutors and/or subject coordinators. Penalties may be incurred if assigned work is handed in late.
- 4. I/We give consent** to the Student to avail themselves of any service provided by the College as listed in the JC Prospectus and the JC website (henceforth referred to as the 'Services').
I/We are aware and hereby acknowledge that some of the Services are strictly confidential and exceptions to confidentiality pertaining to the Services will be discussed and clarified with the Student and/or guardians, as applicable, prior to the commencement of the Services.
I/We also acknowledge that there subsist limitations to confidentiality in specific instances set out in applicable local legislation including, but not limited to, in the instance where the individual(s) rendering the Services believes that the Student is in imminent danger or that there is imminent danger of the Student doing harm to themselves or a third party.
- 5. I/We are aware** that the Junior College's expectations for Student conduct are grounded in the Code of Behaviour. Moreover, I/we are aware that the Student is fully responsible for their behaviour, whether online or otherwise, on and off the College Campus and at any time they are representing the College. I/We acknowledge and accept that Junior College may exercise its sole discretion in implementing sanctions against the Student in the event of unacceptable behaviour, or should the Student's actions be contrary to the spirit of or cause disrepute to the College.
- 6. I/We give consent** to the College Administration to use my/our personal data below to communicate with me/us information related to the Student's progress and activities at the College. This data is stored in the Student's file and is subject to the UM Data Protection Policy.
I/We are aware that letters to students and parents/guardians may be accompanied by a text message

notification.

I/We are aware that I/we may opt out of this text messaging service, by writing a letter to the Student Services Offices (SSO) requesting to be unsubscribed.

I/We are aware that details of the activities the Student is involved in may be found on the JC website.

In case where the Student is less than 16 years of age at the time of enrolment, I/we hereby give consent to the College Administration to process personal information of the Student.
